**Note on Husband: Aaron Wesley CHEEK**

---

An unknown family researcher passed down the name "John Wesley CHEEK", husband of "Jenny" BURCHETT and son of Henderson & Juda (BAGLEY) CHEEK.

While Jenny BURCHETT is fairly well documented, her (presumed) first husband is not. Her four children were given the surname CHEEKS, however Jenny appears with her father's household, and without a husband, in all census records found to date.

No marriage records, or any other record of "John Wesley CHEEK" have been found. The obituary of Jenny's son, Floyd Wesley

CHEEKS, names his father "Wesley CHEEKS".

Henderson & Juda (BAGLEY) CHEEK are contemporaries with Jenny and her children, but they did not have a son named "John Wesley", nor is there any record of the four CHEEKS children appearing in the published genealogies of Henderson & Juda.

According to family tradition, trouble developed between John Wesley and Jeanette. John's brother, a lawyer, threatened to take the children away from her. She fled to Princeton, W.Va with her four children, Martha, Floyd, Noah and John.

Later moved to Virginia with husband, Peter Brooks.
